I fear Sirs I received  
your name from the Acme Novelty Co.

and I wrote to them about disposing of them  
and They referred me to write to you and  
get your price list I have an old Liberty Cap  
Cent in my collection made in 1794 in  
fine condition it has littered around the  
edge one hundred for a dollar and also one  
made in 1817 in good condition enclosed  
you will find a stamp for which  
please let me know your prices.  
I have more Old Coins and can get a
